POEM

Flawed but Beautiful
“She is brown”,
“She is white”
Passerby smiled and said,
“I am both”

Isn't it appealing,
this combination of colors
not the white
not the brown
but the two together.

“I am smart”
“I am creative”
“I am an author, I write books
But you didn't notice, because
you saw my looks.”
People said,

Find light in dark.
When my skin did,
now they say I'm flawed.

I say,
“I am Flawed, but Beautiful
because I,
Discovered Perfection among
Imperfections.
I am proud, I am unique, and I
am VITILIGO.

You are perfect exactly as you
are; with all your flaws and
problems, there's no need to
change anything. All you need
to change is the thought that
you have to change.
