SHRI DHARMASTHALA MANJUNATHESHWARA LAW COLLEGE
CENTER FOR POST GRADUATE STUDIES AND RESEARCH IN LAW
MANGALURU, DAKSHINA KANNADA- 575003

SEMINAR AND CONFERENCE COMMITTEE

Presents

a WEBINAR SERIES on

CAREER IN LAW.

Dream the future

(an IQAC initiative)

On 15th JULY 2020

Report on National Webinar: Career in Law - Dream the Future

Introduction: The Seminar and Conference Club recently hosted a national webinar titled "Career in Law - Dream the Future," aimed at guiding aspiring legal professionals towards a successful career path. Held on the 15th July 2020, the webinar featured insightful discussions and expert advice on various facets of the legal profession.

Key Highlights:

1. **Expert Panel Discussions:** Renowned legal experts and practitioners formed the core of the webinar, sharing their experiences and expertise. They delved into diverse legal fields, including corporate law, criminal law, environmental law, and human rights law.
2. **Career Opportunities:** The webinar provided a comprehensive overview of the multitude of career opportunities available in the legal sector. From traditional roles in litigation and advocacy to emerging fields such as technology law and intellectual property rights, participants gained valuable insights into prospective career paths.
3. **Skill Development:** Emphasis was placed on essential skills for aspiring lawyers, such as critical thinking, research abilities, effective communication, and advocacy skills. Practical tips on honing these skills were shared to equip participants with the tools necessary for success.
4. **Networking and Mentorship:** The importance of networking and mentorship in the legal profession was underscored. Panelists encouraged participants to actively seek mentorship opportunities and build professional networks early in their careers.
5. **Q&A Session:** A lively Q&A session followed the panel discussions, allowing participants to engage directly with the speakers. Queries ranging from educational prerequisites to navigating career challenges were addressed, providing clarity and guidance to the audience.

Conclusion: The "Career in Law - Dream the Future" webinar organized by the Seminar and Conference Club proved to be a resounding success, offering invaluable guidance to aspiring legal professionals nationwide. Participants left with a clearer understanding of the diverse career paths within the legal field and equipped with practical insights to embark on their journeys. The event exemplified the club's commitment to fostering professional development and preparing the next generation of legal practitioners.

WEBINAR SERIES ON CAREER IN LAW-DREAM THE FUTURE

About the College:

Dharmasthala is famous temple town on the banks of river Nethravathi with a magnificent backdrop of Western Ghats. The place is known for its religious sanctity and religious harmony. Here Dharma is expressed in the form of dhana (charity) and lakhs of devotees pray for the blessings of Lord Manjunatha Swamy.

Shri Dharmasthala Manjunatheshwara Law College, Centre for Post Graduate Studies and Research in Law is a professional college functioning under aegis of SDM Education Society, Ujjire. The college was established in the year 1974. Since the inception, the college is striving to search for innovative methods in imparting legal education. Presently the college is affiliated to the Karnataka State Law University, Hubballi and recognized by Bar Council of India. The college is re-accredited by NAAC with "B++" grade with CGPA 2.9 in 2019(New Methodology).

About the Webinar:

Law as a profession is in great demand today. It is considered as one of the most esteemed profession in the world. When we hear the word 'Law' only the traditional occupations like Advocacy, Judiciary comes to our mind. Today, Law as a profession offers a plethora of career avenues for students to explore and conquer. Gone are the days when law course was chosen as profession by chance. These days more students are inclined towards law course not as a chance but by choice. Law has profound impact on every part of our life. The current legal system has undergone a drastic change replacing the traditional avenues of lawyers, judges, legal advisors, law offices, paralegals, mediators, law clerks etc. The Legal education is expanding and evolving to meet the needs of changing legal system and society. Understanding the dilemma of students who would like to take up legal career without much knowledge of opportunities it offers, we at SDMLC would like to organise a comprehensive webinar on "Career in Law".

Eligibility: Law aspirants.

Registration: Click here for registration. <https://forms.gle/vzMewvRaNefywZV76>

Learned many career options and oppurtunities! I thank the organizers for organizing such a wonderful

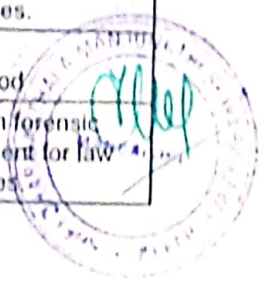

121	vishnukayarthaya@gmail.com	VISHNU K	NHSS Perdala, Kasaragod	<p>I understood the wide opportunities and scopes of legal studies in which a law graduate can make a successful life and make their dreams come true. The law aspirant like me will be aware of legal practices as an opportunity after graduation. But beyond, this webinar gave me the idea that a law graduate can pursue much more opportunities like civil services, armed forces, corporate sector, forensic, etc., This webinar made me aware how a law graduate is important in this society.</p>
122	amseenaamsi65@gmail.com	Amseena	Kalam college uppala	<p>It is a very satisfying career. Law is nothing but commensence. Lawyer should posses basic knowledge about society first because, ther are dealing with social life of people. We should have analytical skills how to deal with cases , how to deal with problems and how to approach to the problems. One good thing is we need not do any specialised courses.</p>

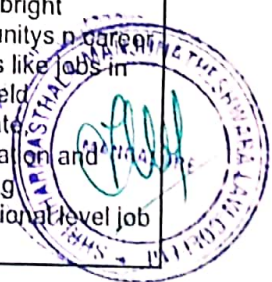

Introduction to law and their careers in different 14 fields.1) Introduction- types of legal education & skills required - law , communication skill, keep on learning it's a noble man profession.2) Importance of humanity- lawyers are social engineers fight for justice in society, basic knowledge of society includes political science, govt state relation, most important constitution.3) Career in civils- law graduates advantages:- law is internal aspect of public policy, rules & regulations formation for public , administration is law where CS will be aware of legal provisions. He gave UPSC exsm pattern. 4) Company secretary &law - liberalization, privatization, globalization, similarity in Lib & CS course.5) Law graduates in Forensic science- Aims to protect innocent, investigation evidence application science for crimes to find who is guilty new tool help juris scientifically knowledge draw conclusion.6) Scope in ADR - Satisfaction with justice another form of resolution, arbitration commerical, conciation/mediation -family, less expensive , better avenues than court. 7) law &corporate- Non ligation different positions in field drafting is essential. 8)Media industry- skills knowledge, drafting, communication
