YOUTH RED CROSS UNIT

SPECIAL LECTURE REPORT

On 9th February 2023 at 3:00 PM a special lecture on “Organ donation: The need of the hour” was conducted by the Youth Red Cross Unit. Special lecture was delivered by Dr. Prashanth Marla. K, Medical Director and Consultant Urologist, A J Hospital and Research Center, Mangaluru to the students in the college auditorium. He presented the lecture through PPT.

Highlights of the Special Lecture:

1. He spoke about the importance of organ donation.
2. The Patient whose kidneys are failed need to undergo dialysis and it cost around 1500 per heamo dialysis and the same need to be done three times a week and 53 times a year which cost around 2.5 lakhs per patient. If kidney is donated to the dialysis patients their lives will be saved and they need not undergo dialysis every time.
3. A single donor can save the lives of at least 50 donors.
4. There are six steps/procedures for the donors:
 - a) Brain dead identification by treating physician.
 - b) Counsels the relatives for transplantation.
 - c) Report to state authorization coordination committee.
 - d) Donor’s health maintenance.
 - e) 1st declaration by donors.
 - f) Legal formalities.
5. He spoke about the preservation of organs such as head for 3-4 hours, liver for 4-6 hours, pancreas for 4-7 hours and kidney for 6-8 hours.
6. Organ donation can be done post cardiac death.
7. He spoke about creation of awareness in the public and for this media plays an important role.
8. He said, counselling the family of brain-dead person is very important for organ donation of a brain-dead person.
9. For those who donate the organs to the family and patients suffering from organ failure he quoted that, “ Heaven do not need organs, but those organs can make heaven on earth”.
10. Finally, he ended the special lecture with a short film made by him on organ donation.

The special lecture was very informative and the students learned the importance of organ donation and saving the lives of needy person and their family.
