RANGERS AND ROVERS CLUB 2023 organised a one-day trekking to Kudlu Theerta Falls, Karkalla on 9th of March. The total number of participants were 30 people altogether, out of which 27 were students and 3 were in charge. Journey Starting location was SDMLC, Mangalore and Travel time to the destination was 2hr 30mins.

On 9th morning around 8:30am we began our journey on a bus, the breakfast was provided to every person on the way. After travelling for around 3hrs we reached the destination at 12:00pm. Soon after reaching the destination the students along with the Incharge started the trek by walking in group and having fun all the way up to the end point. The walking took around 1hr 30

mins. Everyone explored one of the beautiful creations of nature i.e. falls and spent the most inspiring time over there which will be treasured for life. After spending enough time, we all started trekking again and headed back to the bus. Soon after the lunch, around 5:00pm we began our way back to Mangalore. Everyone reached back to the college safely around 8:00pm on the same day.

This trekking program has benefited everyone immensely as we know trekking provides a number of benefits, both physical and mental. Spending multiple hours climbing, rock hopping and ascending hills gave the whole-body workout. Also, by spending the time outdoors, exploring nature was a perfect way to cleanse the mind from stress.

Feedback of the participants was collected orally. This program had an impact on each person greatly. With the support of the Principal and under the guidance of Convenors this program was a success.
