<b>Number of Participants:</b>	60
<b>Summary of the event/ Additional information:</b>	
<p>On December 28, 2023, the Eco Club organized a one-day trek to Netravathi Peak, with the primary objective of educating students about environmental conservation and fostering a closer connection with the forest. The event saw enthusiastic participation, with 60 students and 4 faculty members actively taking part in the trek. To ensure a safe and informative experience, the Forest Department played a crucial role by providing 3 experienced guides. These guides likely contributed valuable insights into the local flora and fauna, sharing their knowledge on biodiversity, conservation efforts, and the importance of preserving natural habitats.</p> <p>The trek aimed not only to impart theoretical knowledge but also to provide a hands-on experience, allowing students to witness the beauty of nature firsthand. This immersive approach likely helped instill a sense of responsibility and appreciation for the environment among the participants. Overall, the one-day trek to Netravathi Peak served as an effective means of combining education, adventure, and environmental awareness. It created a memorable experience for the students and faculty involved, fostering a deeper understanding of the importance of conservation and sustainability.</p> <p>Faculty members Mr. Amith S M, Ms. Apeksha, and Mrs. Nelvita Noronha also participated in the trek as faculty in charge.</p>

The educational tour organized by SDM Law College to New Delhi on 21st February 2024 was a comprehensive exploration aimed at broadening the horizons of final-year law students. The tour commenced with a visit to the Supreme Court of India, where students had the opportunity to witness the proceedings, understand the architecture of the court, explore the Supreme Court library, and interact with legal experts. This experience not only provided them with a practical understanding of judicial processes but also instilled a sense of reverence towards the apex judicial body of the nation.

After the enlightening visit to the Supreme Court, the group proceeded to the Parliament of India. There, students observed the functioning of both the Lok Sabha and Rajya Sabha, gaining insights into the legislative process of the country. Interacting with officials helped students grasp the nuances of lawmaking and governance, complementing their theoretical knowledge with practical exposure. Furthermore, the group visited both the old and new buildings of the Parliament, enriching their understanding of legislative history and the historical significance of the old Parliament building.

In addition to these significant institutions, the tour included visits to several historical sites, including the majestic Qutub Minar with its intricate architecture, the imposing Red

Fort steeped in Mughal history, and the ethereal beauty of the Taj Mahal, a testament to eternal love. Students also immersed themselves in the spiritual ambiance of the Bangla Sahib Gurudwara and paid homage to the martyrs at the India Gate. The tour concluded with a visit to the Swaminarayan Akshardham, where students marveled at the grandeur of Indian art, culture, and spirituality. The intricate carvings and serene surroundings left a lasting impression, fostering a sense of appreciation for India's rich cultural heritage.

In conclusion, the educational tour to New Delhi organized by SDM Law College proved to be a transformative experience for final-year law students. By blending academic insights with practical exposure and cultural immersion, the tour succeeded in achieving its objectives of broadening perspectives, fostering a deeper understanding of the legal and cultural landscape of India, and nurturing well-rounded legal professionals of tomorrow.
