## POLICY DOCUMENT FOR STUDENTS PARTICIPATING IN EXTRA-CURRICULAR ACTIVITY OUTSIDE THE CAMPUS

### Preamble

Extracurricular activities serve as a medium to students for displaying their talents and utilize their knowledge and skills for personal growth and societal development.

### Policy

The college isn't looking for a laundry list of extracurricular activities. The role of the institution lies in how these activities shape a student as a person.

### Objectives

1. In order to focus on building an academic environment for overall productivity of the student community the institution has come up with certain guidelines mandatory for institutional development.
2. A coordinating committee is formulated who will look into the welfare of the students.
3. The aim is to see that students don't deviate from their academic purposes for which they have enrolled in the college.
4. To ensure that the teaching fraternity is given appropriate information regarding students attending programs outside college .
5. To assure that parents as well as local guardians are aware of the activities of their wards.
6. To ensure that the majority of students are selected to participate in activities outside college without any favoritism or bias .

### Strategy

1. The cultural/ literary committee shall identify relevant quality programs for the overall development of the students.
2. The committee shall conduct programs and make a list of students who will represent the institution in fest conducted by other institutions.

3. Each student who is interested in participating in extracurricular activities shall register himself/herself with the cultural/literal committee at the beginning of the academic year.
4. No students shall participate in events organized by private clubs/organizations/forums/associations without the prior permission of the coordinating committee.
5. The coordinating committee holds the right to give permission solely at the interest of the institution.
6. To see that many students are given the opportunity to represent the college outside. A student shall participate only in two state level fests and one national fest organized outside the State.
7. No student who is not enrolled with the cultural/literal committee will be eligible to represent the college in intercollege events.
8. Students participating in intercollege and interuniversity events should get the permission and approval of the coordinating committee which is mandatory.
9. Students participating in intra college events where one is required to stay away from residence/ hostel shall mandatorily produce the permission letter of their parents or guardians.
10. The coordinating committee in consensus with the head of the institution reserves the right to permit the students to participate in programs/ events outside college.
11. The college shall reimburse the participation fees/ entry fees only when the student / participating team only has prior approval of the coordinating committee.
12. Students participating in fests/programs should take the permission of the concerned teachers who teach them and get credit attendance prior to participating in the event.
13. Credit attendance shall be claimed only for absence on the participating dates. If need arises only when it is approved by the coordinating committee, credit attendance may be granted for an extended day.
