NFLIBNET N-List Resources : <http://nlist.inflibnet.ac.in/>

The Project entitled "National Library and Information Services Infrastructure for Scholarly Content (N-LIST)", being jointly executed by the UGC-INFONET Digital Library Consortium. The N-LIST project provides access to e-resources to students, researchers and faculty from colleges and other beneficiary institutions through server(s) installed at the INFLIBNET Centre. The authorized users from colleges can now access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated as authorized users through servers deployed at the INFLIBNET Centre. The Consortium subscribes to the resources for the colleges. All electronic resources subscribed under N-LIST Programme are available from the publisher's Web site. It enable the users to access nearly 4000+ full text journals and 30, 00,000 E-books on different subjects areas.

Shodhganga : a reservoir of Indian theses @ INFLIBNET : <http://shodhganga.inflibnet.ac.in>

The Shodhganga@INFLIBNET Centre provides a platform for research students to deposit their

Ph.D. theses and make it available to the entire scholarly community in open access.

E-ShodhSindhu : <https://www.inflibnet.ac.in/ess/>

Based on the recommendation of an Expert Committee, the MHRD has formed e-ShodhSindhu merging three consortia initiatives, namely UGC-INFONET Digital Library Consortium, NLIST and INDEST-AICTE and Consortium. The e-ShodhSindhu will continue to provide current as well as archival access to more than

15,000 core and peer-reviewed journals and a number of bibliographic, citation and factual databases in different disciplines from a large number of publishers and aggregators to its member institutions including centrally-funded technical institutions, universities and colleges that are covered under 12(B) and 2(f) Sections of the UGC Act.

DOAJ (Directory of Open Access Journals) : <https://doaj.org/>

DOAJ is a community-curated online directory that indexes and provides access to high quality, open access, peer-reviewed journals. DOAJ is independent. All funding is via donations, 40% of which comes from sponsors and 60% from members and publisher members. All DOAJ services are free of charge including being indexed in DOAJ. All data is freely available.

DOAB (Directory of Open Access Books : <https://www.doabooks.org/>

The primary aim of DOAB is to increase discoverability of Open Access books.

Academic publishers are invited to provide metadata of their Open Access books to DOAB. Metadata will be harvestable in order to maximize dissemination, visibility and impact. Aggregators can integrate the records in their commercial services and libraries can integrate the directory into their online catalogues, helping scholars and students to discover the books. The directory is open to all publishers who publish academic, peer reviewed books in Open Access and should contain as many books as possible, provided that these publications are in Open Access and meet academic standards. **15326** Academic peer-reviewed books and chapters from **306** publishers

National Digital Library of India (NDLI) : <https://ndl.iitkgp.ac.in/>

NDLI hosts 21,000,000+ items in its repository, with over 150,000 volumes in English.

The Library was dedicated to the nation in June 2018. The National Digital library of India (NDLI) is a project under Ministry of Human Resource Development, India. The objective is to integrate several national and international digital libraries in one single web-portal. The NDLI provides free of cost access to many books in English and the Indian languages. User registration is open to users from around the world. However, contents from some popular sources are only accessible to registered users. Some of these registration-only works are from sources such as: World eBook Library, South Asia Archive, OECD iLibrary, Satyajit Ray Society.
