Presents
**Environmental Stewardship
Video Contest**
+Unleash Your Creativity for a Sustainable Future+
Our Youth, the Stewards of Tomorrow, Hold the Key to a Greener and Brighter Future

EMBRACE THE SPIRIT OF NATIONAL YOUTH DAY by sowing seeds of change! Let us unite in fostering awareness and engagement in sustainable practices, nurturing a future where every action contributes to building a more sustainable and eco-conscious society.

OBJECTIVE:

- Capture the Change:** Visualize the impact of environmental issues and the need for sustainable solutions through your lens.
- Innovate for Tomorrow:** Propose groundbreaking ideas and innovations that can pave the way for a greener, healthier planet.
- Raise Awareness:** Use the power of Short Video/ Short Film/ Documentary to educate and inspire others to act towards environmental conservation.

Executive Summary

Purpose / Objectives:

Trekking in nature offers a profound connection to the environment, promoting physical fitness and mental well-being. It allows individuals to escape urban stress, experience the beauty and tranquillity of natural landscapes, and challenge themselves physically. This immersive activity fosters a sense of adventure, resilience, and appreciation for the natural world, contributing to overall health and personal growth.

Key Highlights:

The Netravati Peak Trek, located in Karnataka, India, is renowned for its breathtaking landscapes and rich biodiversity. Trekkers can enjoy panoramic views of the Western Ghats, lush green valleys, and the scenic beauty of the Netravati River. The trail passes through dense forests, coffee plantations, and picturesque villages, offering a diverse and immersive experience. The trek, moderately challenging, culminates at the peak, providing a stunning vantage point for sunrise and sunset. Along the way, trekkers may encounter a variety of flora and fauna, making it a paradise for nature enthusiasts and adventure seekers alike.

Attendee Summary:

The event was attended by a total of 65 people, comprising faculty members and students.

Outcome:

These experiences cultivate a deeper appreciation for the environment, often inspiring a commitment to conservation and sustainable living.

Feedback:

Students who participated in trekking provided positive feedback, highlighting the experience as both invigorating and enlightening. Many appreciated the physical challenge and the opportunity to disconnect from technology, fostering a deeper connection with nature. They mentioned improved camaraderie and teamwork, as well as enhanced personal growth and self-confidence. Additionally, students felt rejuvenated and inspired, with a newfound respect for the environment and a desire to engage in more outdoor activities.

5. NSS- Shramadhana: The NSS Unit of the college organized “Shramadhana” at Kadri Government High School on Vivekananda Jayanthi, on 12/01 2023

6. Eco Workshop- Varanasi Organic Farm- 29/07/2022

ECO WORKSHOP 2022 – 4TH EVENT

On 29th July of 2022 ,Eco club organized One Day Educational visit and workshop to VARANASI Organic Farm. Nearly 90% of our Students were participated.

We left college premises by 8 a.m by 9.50 a.m and we reached the destination.

We were received by Dr.Ashwini K.M microbiologist , the resource person for the workshop.

Introduction about multicrop farming and the entire idea of organic farms was discussed students students were taken to te cafeteria for breakfast.

1. Water harvesting – natural mode of water course created for the supply of the water through out the farm was explained. natural rain water course created, distribution of water and utilization of water by the plants and trees concepts was discussed.
2. Areca nut farms, cocoa farms. Jack fruit farms(different variety) plus medicinal plants , vegetables farming was explained and there was hands on experience.
3. The manure and organic compost making was explained.
4. The usage of coconut coir for the purpose of water observation at the grass roots and its importance was explained
5. Bee hive farming – yield was explained.
6. There was opportunity to explore tree houses.
7. The explanation was given on the importance of natural ponds about the microbial functions which helps to maintain the purity of water naturally.
8. Cattle rearing and the dairy producing usage as a profit-making business was explained. It was a huge farm it took us a lot of walk all over, but though it was greatly tiring but it was amazingly enriching experience.
