DVV - CLARIFICATION

1.2.1

HEI has issued a declaration certificate under the seal and signature of the Principal. However, the certificate lacks the names of the courses and the corresponding course codes. HEI must explicitly provide a certified list, verified by the Registrar of the affiliating university, of the programs in which the CBCS or elective course system was implemented during the most recently completed academic year.

Clarification:

The Certified List of Names of Courses and Corresponding Course code verified by the Registrar of Karnataka State Law University has been attached. The list also includes an elective course system implemented during the recently completed academic year (2023-24).
