Criteria-III

DVV CLARIFICATION

Metric No: 3.3.2

3.3.2 Number of extension and outreach programs conducted by the institution through NSS/ NCC/Government and non-government bodies other clubs during the last five years.

DVV Clarification (A):

HEI has provided all the documents in the regional languages and thus cannot be appreciated in their current version. National, international celebration days, educational trips, industrial visits, events organised by the HEI's own students with no interactions with external community and likewise events are not aligned with the intent of the current metric. HEI need to recheck the input figure and reconsider once again. HEI's may revise their claims and support only those activities that provide tangible benefits to the community beyond the campus. Extension and Outreach Program in an undergraduate college aim to foster civic responsibilities and community programs among students by providing services that extend beyond the campus. These programs allow students to apply their knowledge and skills to outreach benefit society while gaining practical experience.

Clarification: The HEI has translated headings of all the regional languages (i.e., Kannada) documents into English and has provided captions for the same.

HEI has provided report of all the national, international celebration days, educational trips, industrial visits and events organised with its own Students which include the service and extensive interactions with the community. Proper captions and highlighting the same to have been provided for better clarification.

Since all reports provide tangible benefits to the community beyond the campus HEI has revised the claims with proper report, which include objectives, proper captions, translations, invitations, banners, supporting media reports with proper dates.

Note: HEI has updated their claims from the Academic Year 2019-2024 as per the clarification (A) sought in DVV relating to extension and outreach activities and has provided links for programs academic year wise.

DVV Clarification (B):

HEI to Provide 1. either links of outreach programs or upload photographs (with banners) with proper captions and dates. 2. Objectives for each program with targeted community to connect with. 3. Detailed report for each extension and outreach program. 4. Any other supporting documents of relevance e.g., media reports of the events, have proper captions and dates in support of the revised list of the events held in the AY 2023-24 only. Ensure the clarity not to be compromised.

Clarification: 1. HEI has provided links outreach programs and uploaded the photographs with banners, proper captions, and dates. 2. HEI has provided objectives for each program with targeted community. 3. HEI has provided detailed report for each extension and outreach program and has highlighted the same. 4. HEI has provided other supporting documents of relevance such as media reports of the events with proper captions and dates in support of the revised list of the events held in the AY 2023-24.

- **Historical Sites Exploration:** To enrich student's understanding of Indian history and culture, visiting iconic landmarks like Qutub Minar, Red Fort, Taj Mahal, Bangla Sahib Gurudwara, India Gate, and Swaminarayan Akshardham.

The educational tour organized by SDM Law College to New Delhi on 21st February 2024 was a comprehensive exploration aimed at broadening the horizons of final-year law students. The tour commenced with a visit to the Supreme Court of India, where students had the opportunity to witness the proceedings, understand the architecture of the court, explore the Supreme Court library, and interact with legal experts. This experience not only provided them with a practical understanding of judicial processes but also instilled a sense of reverence towards the apex judicial body of the nation.

After the enlightening visit to the Supreme Court, the group proceeded to the Parliament of India. There, students observed the functioning of both the Lok Sabha and Rajya Sabha, gaining insights into the legislative process of the country. Interacting with officials helped students grasp the nuances of lawmaking and governance, complementing their theoretical knowledge with practical exposure. Furthermore, the group visited both the old and new buildings of the Parliament, enriching their understanding of legislative history and the historical significance of the old Parliament building.

In addition to these significant institutions, the tour included visits to several historical sites, including the majestic Qutub Minar with its intricate architecture, the imposing Red

Fort steeped in Mughal history, and the ethereal beauty of the Taj Mahal, a testament to eternal love. Students also immersed themselves in the spiritual ambiance of the Bangla Sahib Gurudwara and paid homage to the martyrs at the India Gate. The tour concluded with a visit to the Swaminarayan Akshardham, where students marveled at the grandeur of Indian art, culture, and spirituality. The intricate carvings and serene surroundings left a lasting impression, fostering a sense of appreciation for India's rich cultural heritage.

In conclusion, the educational tour to New Delhi organized by SDM Law College proved to be a transformative experience for final-year law students. By blending academic insights with practical exposure and cultural immersion, the tour succeeded in achieving its objectives of broadening perspectives, fostering a deeper understanding of the legal and cultural landscape of India, and nurturing well-rounded legal professionals of tomorrow.
