Subject: Clarification Regarding DVV Query on Criterion 5.3.1 – Details of Awards and Medals Won by the Institution

With reference to the DVV clarification request regarding Criterion 5.3.1, I am writing to provide further explanation and updated documentation as per your requirements. The institution, SDM Law College, has revised its earlier submission and is now submitting the data in the prescribed format. Enclosed is a detailed list that exclusively comprises awards and medals won by our institution's teams and individuals in various events, including sports, cultural, and moot court competitions.

We would like to clarify that while a few certificates mention the events as inter-college level; these events were organized by Karnataka State Law University (KSLU) and should be considered university/state-level competitions. Furthermore, our institution has consistently secured top ranks (I & II) in university/state-level sports events organized under the aegis of KSLU, with participation from over 110 affiliated law colleges.

We have enclosed the relevant rank letters and web links to substantiate our claim of participation and success at the university/state level.

We trust this clarification will address the DVV's concerns, and we kindly request the acceptance of the revised submission.

Thank you for your consideration.
