2. Collaborative quality initiatives with other institution(s)
3. Participation in NIRF

**Query A:** HEI neither provided the sample feedback forms nor the feedback analysis for the AYs. HEI needs to provide evidence to prove whether the feedback received from the students has been analysed thoroughly, identified thereafter, and steps to resolve were finalized at the end. Also, provide a weblink where the analysis is being hoisted.

**Response:** The College furnishes the feedback collected from various stake holders including students, analysis report and ATR report for all the academic year. The college also hoisted the feedback analysis in its website and the link is furnished.
