

Criteria VII: Institutional Values and Best Practices

Metric No: 7.1.6: Quality Audits on Environment and Energy are regularly undertaken by the institution

DVV Clarification: Quality Audits on Environment and Energy.

The audit report encompasses a comprehensive review, including a green audit/environment audit and an energy audit. The institution is committed to promoting clean and green campus initiatives, along with conducting extension activities to raise environmental awareness. Geo-tagged photos are provided wherever available, and in some instances, videos have been included as substitutes.
