Executive Summary

Purpose / Objectives:

Trekking in nature offers a profound connection to the environment, promoting physical fitness and mental well-being. It allows individuals to escape urban stress, experience the beauty and tranquillity of natural landscapes, and challenge themselves physically. This immersive activity fosters a sense of adventure, resilience, and appreciation for the natural world, contributing to overall health and personal growth.

Key Highlights:

The Netravati Peak Trek, located in Karnataka, India, is renowned for its breathtaking landscapes and rich biodiversity. Trekkers can enjoy panoramic views of the Western Ghats, lush green valleys, and the scenic beauty of the Netravati River. The trail passes through dense forests, coffee plantations, and picturesque villages, offering a diverse and immersive experience. The trek, moderately challenging, culminates at the peak, providing a stunning vantage point for sunrise and sunset. Along the way, trekkers may encounter a variety of flora and fauna, making it a paradise for nature enthusiasts and adventure seekers alike.

Attendee Summary:

The event was attended by a total of 65 people, comprising faculty members and students.

These experiences cultivate a deeper appreciation for the environment, often inspiring a commitment to conservation and sustainable living.

Feedback:

Students who participated in trekking provided positive feedback, highlighting the experience as both invigorating and enlightening. Many appreciated the physical challenge and the opportunity to disconnect from technology, fostering a deeper connection with nature. They mentioned improved camaraderie and teamwork, as well as enhanced personal growth and self-confidence. Additionally, students felt rejuvenated and inspired, with a newfound respect for the environment and a desire to engage in more outdoor activities.

8. Eco-Club Orientation Program

ECO CLUB ORIENTATION PROGRAM

REPORT:

15/02/2023, 12:30 pm

Eco club conducted orientation meeting on 15/02/2023 in seminar/ court hall 3rd, floor at 12:30pm.

Eco club's concerned lecturer Mrs. Balika ma'am, Honoured guest Mr. Mahesh Chandra Nayak, HOD of law, Secretary of Eco club Ms Aishwarya and coordinators Hridya, Naresh Baliga, Ananth, kyath and 50 members and non-members of eco club was present at the meeting.

The programme began with welcome speech by Secretary Aishwarya. She invited Mr Mahesh Chandra Nayak, HOD of law who have 27 years of experience in teaching Environmental Law to address the gathering.

Mr Mahesh Chandra Nayak gave a talk on importance of Eco club connecting to our roots, ie mother earth and the need of worshipping earth. Pollution has no boundaries, the pollution in India can affect the Arctic. Everything is made for the comfort and convenience of human beings nothing beyond that for that we're exploiting Earth. He also mentioned that Every pollution is manmade, no creature produce pollution which is non biodegradable. Throughout his speech he said about the importance of preserving nature by keeping aside the human selfishness.

Vote of thanks was given by Eco club coordinator Hridya.

After that Mrs Balika ma'am explained the agenda and upcoming activities of eco club.
