**Mapping of Addon course with Core Subjects**

No.	Name of the Add- onn course	Aligned with Core Subjects	Mapping of Addon course with Core Subjects
1	Alternative Dispute Resolution	ADR	This Certificate course offers practical insights, detailed case studies, and advanced techniques that deepen understanding beyond theoretical aspects that are not covered in a core curriculum.
2	Company Secretary	Pre-Law BBA Subjects / Company Law and Laws Relating to Contracts	The Value Added Training Course on Company Secretary deepens Pre-Law BBA students' understanding of corporate law, compliance, and business ethics. It provides practical insights that enrich their grasp of core subjects like corporate governance, management, legal reasoning and procedures, and regulatory frameworks. The course is designed to equip students for the ICSI Preliminary examinations.
3	Criminology and Forensic Psychology	IPC & CRPC / Evidence Law	An Addon Course on Criminology and Forensic Psychology helps with core course such as Indian Penal Code (IPC) and Criminal Procedure Code (CrPC) by exploring criminal behavior, psychological motives, Forensic Issues and investigative techniques. It provides a practical perspective on crime and legal proceedings, as Criminology and Forensic Psychology are not a part of Core Course Syllabus.
4	Cyber law	IPR / IPC, IT	An Addon Course on Cyber Law enhances understanding of Intellectual Property Rights (IPR), IT Act, and the Indian Penal Code (IPC) by exploring digital rights, cybercrime, data protection, privacy and legal frameworks, crucial for managing IPR issues and interpreting IPC in the digital age.
5	Forensic Science and Law	IPC & CRPC / Evidence Law	An Addon Course on Forensic Science and Law enhances understanding of IPC and CrPC by providing practical insights into evidence handling, crime scene analysis, and investigative procedures, helping students grasp legal frameworks for criminal cases and judicial processes effectively.
	Fundamentals of Commerce and Management	Pre-Law Subjects / Accountancy / Human Resource/ Managerial Economics	The Fundamentals of Commerce and Management course benefits Law students by making them understand the importance of law in business operations, economic principles, and management strategies, enhancing their understanding of corporate law, commercial regulations, and financial legalities within their core studies.

7	Gender sensitization & Prevention of Sexual Harrasment	Labour Law / Constitutional Law	Addon Course on Gender Sensitization and Prevention of Sexual Harassment enhances understanding of Labour Law by addressing workplace rights, gender equality, and legal frameworks against harassment. It equips students with essential knowledge for fostering safe, equitable work environments in compliance with labor regulations.
8	Human Resource Management	Labour Law	Addon Course in Human Resource Management enhances understanding of Labour Law by providing insights into employee rights, workplace regulations, and compliance requirements. This knowledge equips students to effectively navigate legal frameworks governing employment relationships within their core course addition to the topics in Syllabus.
9	India in the Image of Europe	International Law / Political Science - International Relations	An Addon Course on "India in the Image of Europe" enhances understanding of International Law by exploring India's historical, cultural, and legal relations with Europe, enabling students to grasp key concepts of global understanding, treaties, and international diplomacy effectively.
10	Law and Medicine	IPC, Consumer Protection & Torts	Addon Course on Law and Medicine enhances understanding of IPC, Consumer Protection, and Torts by exploring legal frameworks surrounding medical malpractice, patient rights, and consumer health. This integration clarifies complex legal principles, ensuring a comprehensive grasp of these core subjects.
11	Paralegal Services	Clinical Course Subjects / Professional Ethics	Addon Course on Paralegal Services enhances understanding of Experiential Learning courses by providing practical legal skills, exposure to real-world legal environments, and hands-on experiences. This combination fosters critical thinking and problem-solving, essential for applying theoretical knowledge in practical situations.
12	Prevention of Sexual Harrasment	Labour Law / Constitutional Law	Addon Course on Prevention of Sexual Harassment enhances understanding of Labour Law by addressing employee rights, workplace safety, and legal frameworks. It equips students with knowledge on compliance, reporting mechanisms, and the significance of a harassment-free work environment in labor relations.
