Orientation Programme & Bridge Course
BA/BBA LLB(5yrs) /LLB (3yrs)

Students entering Higher Education (HE) are coming into a new and unfamiliar environment, and many do not yet know what it means to be a University/HE student. With increasingly large class sizes, it may not be possible for a professor to tailor material to a diverse audience, where everyone has their own prior experiences of learning and their own assumptions about what it means to be a student in Higher Education. But it might be possible for professors to consider ways of inducting students into programmes by:

- providing information on respective roles of students and teaching staff
- clarifying misconceptions about these roles or expectations
- providing information on who staff are and where their offices are located.
- helping to create an environment where students are encouraged to disclose their needs and seek appropriate support.
- advising on different approaches to teaching and learning
- supporting students in learning to learn
- helping students to acquire the basic concepts of the discipline.
- encouraging students to test out and experiment with strategies for learning.

It could help staff during the induction period to find out what students' conceptions and experiences of learning are. It could also help to know what their conceptions about the discipline are. Devising activities to draw out this information early in the course could be time well spent. However, induction into a subject is not something that happens in the first few days at college. As the programme of study develops, students may benefit from the ongoing attention of teaching staff to the above list of considerations, as students engage with different subjects within the programme and with different activities within one subject. Students who are well inducted into the process of maximizing their participation in lectures may need new and different induction into the different learning environment of a placement.

Clear pre-entry information on how learning and teaching will be organised can help students to develop new strategies for tackling the range of tasks appropriate for different methods. The induction period can provide useful opportunities for all students to test out their existing strategies, some of which are likely to need refinement in some teaching settings. By attending to the above list of ways of inducting students, many students, including those with impairments, are likely to be helped into the new environment of teaching.

An induction process which clarifies for all students the relative responsibilities of teacher and student, which creates an atmosphere of open experimentation where all students can be open about what they see as barriers to their learning, and which begins the work of helping students to develop effective learning strategies, is likely to go far towards helping all students.

Considering all these, SDM Law College proposes orientation Program and Bridge Course for students admitted to first year of BA/BBA, LL.B./LLB/LLM.

REPORT

'Moot Court Demonstration'

Shri Dharmasthala Manjunatheshwara Law College Centre for Post Graduate Studies & Research in Law, Mangaluru under its Moot Court Society had organised a Moot Court Demonstration at 3.30 pm on 19th December 2023 in the college auditorium.

The Moot Court Society conducted a demo moot court for its members, taking a moot proposition related to the advertisement of tobacco and liquor products. The issue revolved around the Indes Cable Television Network (Regulation) Act 1995, which prohibited the advertisement of tobacco and liquor products. Subsequently, the legislature introduced an amendment, the Indes Cable Television Network (Amendments) Rule 2021, which removed two provisions, including the prohibition on surrogate advertising of the products. The arguments presented by the teams were based on this issue. There are mainly two issues, the first issue is that, Whether the Indes Cable Television Network (Amendments) Rule 2021 is unconstitutional for violative of Fundamental Rights? and the second issue is that Indes Cable Television Network (Amendments) Rule 2021 is unconstitutional to the Indes Cable Television Network (Regulation) Act 1995?

The session was then followed by the 'Question and Answer' session where he addressed various doubts and queries by the students. To conclude, it was indeed an enlightening and insightful session, which gave students an idea about the moot court competitions.

Technical Session 2

| Time | Name and designation/class of the Resource Person | Topic |
|--------------------|---|--|
| 4.15 pm to 5.15 pm | Ms Suma Suresh Kogilgeri, Assistant Professor, SDM Law College, Mangalore | Presided as Judge |
| 4.15pm to 4.30 pm | Ms Bhargavi Shabaraya, 5 th BBA LLB | Petitioner Side Arguments Speaker 1 |
| 4.30 pm to 4.45 pm | Ms Aswathy Krishna M P, 4 th BA LLB A | Petitioner Side Arguments Speaker 2 |
| 4.45 pm to 5.00 pm | Mr Mayur Bhat, 5 th BBA LLB | Respondent Side Arguments Speaker 1 |
| 5.00 pm to 5.15 pm | Mr Shreevara P, 4 th BBA LLB | Respondent Side Arguments Speaker 2 |

Ms Suma Suresh Kogilgeri, Assistant Professor, SDM Law College, Mangalore, Ms. Suma Suresh Kogilgeri, Assistant Professor at SDM Law College, Mangalore, served as the presiding judge for the Demo Moot Court. Following the session, she provided valuable clarifications and recommendations about the competition. Her inspirational words were instrumental in

fostering confidence among the students and cultivating a mindset that found moot court activities genuinely interesting.

Ms. Bhargavi Shabaraya, the Student Co-ordinator of Moot Court Society, served as Speaker 1, representing the Petitioner side. In her argument, she contended that the Indes Cable Television Network (Amendments) Rule 2021 is unconstitutional as it violates the fundamental rights of the petitioner, including those under Article 14, 19(1)(a), 19(1)(g), and Article 21. These rights are intricately connected, and a breach of any one of them affects the petitioner's overall rights. The Counsel highlighted that the amendment rule, while not directly infringing on the petitioner's right to advertisement, does so indirectly. According to her argument, the amendment rule compromises the petitioner's rights in a manner that has a cascading effect on the entirety of their fundamental rights. Specifically, she emphasized the interconnected nature of Article 14 (Right to Equality), Article 19(1)(a) (Freedom of Speech and Expression), Article 19(1)(g) (Right to Practice Any Profession, or to Carry on Any Occupation, Trade, or Business), and Article 21 (Right to Life and Personal Liberty).

Ms. Aswathy Krishna M P, Student Co-ordinator of Moot Court Society, as Speaker 2, has addressed the second issue that the Indes Cable Television Network (Amendments) Rule 2021,

is unconstitutional to the Indes Cable Television Network (Regulation) Act 1995. She contends that delegated legislation lacks the authority to create rules or laws that go against the basic structure of the parent act. She argued that, the amendment act not only contravenes the constitution but also violates other general laws of the land. The Counsel further argues that the implementation of the amendment act has adverse effects on genuine brand extensions. She argued that within 30 years, the tobacco and liquor industries will be forced to shut down, posing a significant threat to the economy of Indes. She emphasizes that the economy is heavily reliant on the production and distribution of liquor and tobacco. In summary, the Counsel asserts that the amendment is unconstitutional in relation to the parent act.

Mr. Mayur Bhat, Student Coordinator of the Moot Court Society, represented the defendant side as Speaker 1, addressing the first issue related to the Indes Cable Television Network (Amendments) Rule 2021. He argued that the amendment is not a violation of the fundamental rights of the petitioner. According to the Counsel, the significant impact of television media on viewers necessitates strict regulations imposed by the state. He emphasized the importance of removing the two provisos, considering them as loopholes that allowed industries to use surrogate advertisements in a misleading manner to achieve hidden goals. In his argument, pointed out that the protection of commercial advertisements depends on their nature and object. He claimed that certain businesses in Indes utilized advertisements with hidden motives, influencing the public, especially adolescents, to engage in vices such as alcohol and tobacco addiction. He argued that the rights guaranteed under Art. 19(1)(a) and 19(1)(g) are subject to reasonable restrictions, and the imposed restrictions through the amendment fall within the ambit of 19(2) and 19(6) respectively, aligning with the Directive Principles of State Policy.

under Art. 47. Furthermore, the Counsel contended that there is no fundamental right to trade in goods that are obnoxious and injurious to the health, safety, and welfare of the general public. Therefore, he concluded that the Amended Rule under the Indes Cable Television Networks (Amendment) Rules, 2021, is constitutional and does not violate the various fundamental rights protected under the Indes constitution.

Mr. Shreevara, Student Coordinator of the Moot Court Society, as Speaker 2, argued on the second issue, contending that the Indes Cable Television Network (Amendments) Rule 2021 is not unconstitutional in relation to the Indes Cable Television Network (Regulation) Act 1995. He submitted that the Indes Cable Television Networks (Regulation) Act, 1995, empowers the government to make rules for the advertising code, and the Indes Cable Television Networks (Amendment) Rules, 2021, were enacted under the authority granted by the Act. Consequently, they fall within the delegation authority of the central government. The Counsel asserted that the amended rules align with other general laws of the land. Additionally, he emphasized that the rules were amended in the interest of the general public and after extensive consultations with stakeholders, including seminars, conferences, and focused group discussions. He further argued that the basis of the imposed restrictions is reasonable and in the interest of the public, avoiding arbitrariness. In summary, the Counsel maintains that the amended rules are constitutional and within the delegated authority of the central government, serving the broader interest of the general public.

After the arguments presented by both petitioners and defendants, the petitioner's side initiated the rebuttals. The demonstration session proved to be immensely helpful for the students, providing them with a comprehensive understanding of moot court competitions and their workings. This experience allowed the students to refine their legal advocacy skills, enhance their ability to think on their feet, and acquire practical courtroom experience. The moot court followed the structure of a genuine appellate argument, incorporating elements such as opening statements, rebuttals, and responses to judges' inquiries. This format provided a valuable opportunity for students to apply legal theory in a practical setting and cultivate a professional courtroom demeanour. Overall, the moot court session served as an enriching educational experience, preparing students for the challenges and intricacies of legal practice and moot court competitions.
