Executive Summary

Purpose / Objectives:

The Basic Health Check-Up Camp, organized in collaboration with KMC Hospital Attavar, aims to provide comprehensive health assessments to the community. This camp focuses on promoting overall well-being and early detection of potential health issues through a series of tests, including BMI, ENT, OBG, blood sugar, and skin examinations. The objectives are to raise awareness about the importance of regular health check-ups, offer accessible and preventive healthcare services, and educate participants on maintaining a healthy lifestyle. By facilitating these essential health screenings, the camp seeks to empower individuals with knowledge about their health status, encouraging proactive measures towards a healthier and more informed community.

Key Highlights:

A key highlight of the Basic Health Check-Up Camp was the comprehensive range of health screenings provided, including BMI, ENT, OBG, blood sugar, and skin examinations, all conducted by experienced medical professionals from KMC Hospital Attavar. This wide array of tests ensured that participants received a thorough assessment of their overall health, enabling early detection and management of potential health issues.

Attendee Summary:

The Basic Health Check-Up Camp, organized in collaboration with KMC Hospital Attavar, saw active participation from a total of 171 individuals, including both staff and students.

Outcome:

The Basic Health Check-Up Camp successfully provided essential health assessments to 171 participants, including staff and students. The outcome of the camp was an increased awareness about the importance of regular health check-ups, and education on preventive healthcare practices. Participants expressed appreciation for the accessibility of the screenings and the professional guidance offered by the KMC Hospital team. The camp fostered a greater sense of health consciousness encouraging proactive measures towards maintaining overall well-being.

Feedback:

Participants appreciated the comprehensive range of screenings available, including BMI, ENT, OBG, blood sugar, and skin examinations. Many highlighted the professionalism and expertise of the KMC Hospital team, which contributed to a reassuring and informative experience. Suggestions for improvement included extending the duration of the camp and providing additional follow-up resources for participants.

Meeting Proceedings

Venue: 302

Date: 15 December 2023

Time: 12.30PM

Agenda:

1. Selecting members for the cell
2. Planning to organize a Basic First Aid Program in the month of December 2023

Action Taken:

1. It was decided that a google form would be shared among the students for their registration as members of the cell, followed by creation of a WhatsApp group for official communication.
2. It was decided that a Basic Life Support Training Program would be organized for the members as well as students at our college on 30 December 2023, in collaboration with KMC Hospital, Attavar, Mangalore.

Notes:

1. 51 students registered as members of the cell and a WhatsApp group was created for official communication.
2. Dr. Nikhil Paul, Consultant Emergency Physician & Assistant Professor at Manipal Academy of Higher Education, India was invited as the Trainer and Resource person for the program in consultation with Mr. Herbert Mario, HR KMC Hospital Attavar.

Review:

1. As many of the registered members of the cell did not turn up for the training program, it was decided by the core committee that such members based on the genuineness of the reason shall be terminated as members of the cell.
2. As the program was interactive and engaging and included demonstration, it was decided to conduct more such programs in important areas concerning the Red Cross Activities
3. It was decided that apart from the members of the cell, five students from each class would be given an opportunity to take part in the future Red Cross Cell events on first come basis.
