- **Historical Sites Exploration:** To enrich student's understanding of Indian history and culture, visiting iconic landmarks like Qutub Minar, Red Fort, Taj Mahal, Bangla Sahib Gurudwara, India Gate, and Swaminarayan Akshardham.

The educational tour organized by SDM Law College to New Delhi on 21st February 2024 was a comprehensive exploration aimed at broadening the horizons of final-year law students. The tour commenced with a visit to the Supreme Court of India, where students had the opportunity to witness the proceedings, understand the architecture of the court, explore the Supreme Court library, and interact with legal experts. This experience not only provided them with a practical understanding of judicial processes but also instilled a sense of reverence towards the apex judicial body of the nation.

After the enlightening visit to the Supreme Court, the group proceeded to the Parliament of India. There, students observed the functioning of both the Lok Sabha and Rajya Sabha, gaining insights into the legislative process of the country. Interacting with officials helped students grasp the nuances of lawmaking and governance, complementing their theoretical knowledge with practical exposure. Furthermore, the group visited both the old and new buildings of the Parliament, enriching their understanding of legislative history and the historical significance of the old Parliament building.

Students also immersed themselves in the spiritual ambiance of the Bangla Sahib Gurudwara and paid homage to the martyrs at the India Gate. The tour concluded with a visit to the Swaminarayan Akshardham, where students marveled at the grandeur of Indian art, culture, and spirituality. The intricate carvings and serene surroundings left a lasting impression, fostering a sense of appreciation for India's rich cultural heritage.

The right to vote is a fundamental right guaranteed under Article 326 of Indian Constitution. This article states, "The elections to the House of the People and to the Legislative Assembly of every State shall be on the basis of adult suffrage; that is to say, every person who is a citizen of India and who is not less than 18 years of age on such date as may be fixed in that behalf by or under any law made by the appropriate Legislature and is not otherwise disqualified under this Constitution or any law made by the appropriate Legislature on the ground of non-residence, unsoundness of mind, crime or corrupt or illegal practices, shall be entitled to be registered as a voter at any such election."

Right to vote is also a basic human right protected by the Universal Declaration of Human Rights (1948) and the International Covenant on Civil and Political Rights (1966).

Significance of Voting:

India follows the principle- 'Democracy is, government of the people, by the people, and for the people'. Through voting, people can bring change in the system. It is a cornerstone of our democracy, allowing its citizens to express their thoughts on a country, local constituency, or candidate & decide on who should govern them. The ability to vote is not only a right, but a responsibility, as it ensures that the voices of all the citizens are heard and that their interests are represented in the government.

Election Commission of India celebrates National Voters' Day every year on 25th January aiming to educate new voters on the importance of their vote and responsibility to participate in elections.

The Election Commission of India has implemented Model Polling Booths to cater women, children, and older individuals. It has also made provisions for Non-Resident Indians (NRIs) to exercise their voting rights by amending Representations of the People (Amendment) Act, 1950. The Systematic Voter's Education aims to fill gaps in voter participation.

Additionally, the Indian Election System has been made more flexible, by including the new system of VVPAT (Voter Verifiable Paper Audit Trail) machines for transparency and the

Decriminalization of elections through the declaration of criminal records by candidates. Recent reforms have included addition of the 'NOTA' (None of the above) option, which allows voters to choose not to select any nominated candidate.
