### CENTRE FOR POST GRADUATE STUDIES & RESEARCH IN LAW

M.G. ROAD, KODIALBAIL, MANGALURU, KARNATAKA, INDIA - 575 003

(Managed by SDME Society ® Ujire)

President: Dr. D. Veerendra Heggade

#### **Purpose / Objectives:**

The objective is to provide law students with practical insights and skills in handling criminal trials, beyond theoretical knowledge. This aims to prepare students for a successful legal career, enhancing their employability and bridging the gap between academia and practice. Students learn practical skills such as drafting charges, presenting arguments, examining witnesses, and preparing case files—essential skills for any trial lawyer. Provides an opportunity to interact with experienced legal professionals, such as judges, prosecutors, and defense attorneys, who can share valuable insights and answer questions.

#### **Key Highlights:**

Sri Vikram Raj, advocate of Mangalore Bar Association and our proud alumna was a resource person who delivered a lecture on various stages and Process In Criminal Trial.

Sir began the session quoting changes are constant in the world. He then explained about the ways in which criminal trial took place in history. He emphasized on the various dimensions of criminal trial in India over the years and how it evolved.

He also stressed on the need for fair trial and how it has been established along with the pros and cons of confession.

Later on, he addressed the students on the following topics-

1. Presumption of Innocence; Innocent until proven guilty: Right available throughout trial
2. Right against self-incrimination: Art.20(3) of Indian Constitution.
3. Right to defense counsel.
4. Burden of Proof: who has to prove the accusations? How much proof is enough proof?
5. Standard of Proof: Proof Beyond Reasonable Doubt and related case laws

#### **Attendee Summary:**

Workshop was conducted for final year students and the total number of students present were 214.

#### **Outcome:**

Students gain a practical understanding of how criminal trials are conducted, from case initiation to verdict, which supplements their theoretical knowledge.

Students learn essential trial skills, such as witness examination, cross-examination, and evidence handling, which can improve their readiness for courtroom work.

Exposure to real-world experiences and insights from the guest speaker helps students understand the nuances of courtroom proceedings and case management.

The lecture may provide networking avenues, potentially opening up internship, mentorship, or career opportunities with professionals in the legal field.

By learning directly from an experienced practitioner, students build confidence in their ability to navigate the criminal justice system.

Reinforcement of ethical considerations and the responsibilities of criminal lawyers, fostering a strong sense of duty and professionalism.

Hearing real-life experiences can inspire students to pursue specific areas within criminal law, shaping their career aspirations.

#### **Feedback:**

Final year students attended this workshop responses were positive.

#### **ADDITIONAL INFORMATION –**

In conclusion, this guest lecture on the criminal trial process has provided invaluable insights and practical knowledge for final-year students, bridging the gap between academic learning and real-world application. By delving into the intricacies of trial procedures, evidence handling, and courtroom dynamics, students have gained a comprehensive understanding of what to expect as they enter the legal profession. The guest speaker's real-life experiences and professional advice have not only equipped students with essential skills but also motivated them to pursue careers with confidence, integrity, and a deep sense of responsibility. This lecture has undoubtedly been a pivotal step in preparing these future legal professionals to navigate the criminal justice system effectively and ethically.
